

Concordia University, Nebraska accepts up to 70 hours** of credit from a two-year college toward the completion of a four-year program of study. Only courses with a grade of C- or above will be accepted for transfer credit. Students must also complete a minimum of 30 hours at CUNE with a minimum of 12 hours completed at the 300 or 400 level. A minimum of 120 hours must be completed with total hours required varying by major.

General Education - Students who complete an **Associate of Arts Degree**, or an **Associate of Science Degree** shall be considered to have completed all but the Cornerstones courses of the general education requirements. Specific General Education and graduation requirements can be found in the Undergraduate Catalog. **This document is a guide only.**

Official credit transfer will be determined by the CUNE Registrar's office.

Note: Students in the B.S. Public Health and Fitness program who meet the university's bachelor's to master's program criteria and are approved by the Health and Human Performance Department are allowed to take Master of Public Health courses that count toward their undergraduate major while earning credit toward an MPH degree. Students must work with a CUNE advisor to create and maintain a bachelor's to master's program plan of completion.
