REQUIREMENTS:

Dual Credit – School

The CUNE Dual Credit Program will grant a cooperating school one (1) course waiver for every 50 undergraduate credits registered by students from the cooperating school.

A course waiver shall:

- Be available for use during the next two (2) academic years (July 1 to June 30) after the date of grant.
- Be transferable within a school district upon approval of school administration.
- Be limited to teaching staff of the school.

Tuition waivers offered pursuant to this policy are at the sole discretion of CUNE and may be discontinued at any time.
