I hereby confirm that I have fully disclosed all prior medical conditions in writing, and will disclose any future problems that may occur to the athletic performance staff and/or team physician.

I understand that there is a possibility that participation in any sport may result in a head injury and/or concussion. Furthermore, I have read and understand the NCAA Concussion Fact Sheet provided to me and I understand the importance of immediately reporting symptoms of a head injury/concussion to the athletic performance staff and/or team physician. I have discussed any questions I have regarding concussions and head injuries with the athletic performance staff.

## After reading the NCAA Concussion Fact Sheet for Student-Athletes, I am aware of the following information:

### Initial:

- \_\_\_\_\_ A concussion is a brain injury, which I am responsible for reporting to my athletic trainer.
- \_\_\_\_\_ I am aware that I might notice some of the symptoms of a concussion right away while other symptoms can show up hours or days after the injury.
- \_\_\_\_\_ A concussion can affect my ability to perform everyday activities, affect reaction time, balance, sleep quality, and classroom performance.
- \_\_\_\_\_ I am responsible for truthfully and promptly reporting a concussion and any concussion-related symptoms to my athletic training and/or team physician.
